Statement of Objects and Reasons.

According to section 13 of the Mysore University Act, 1933, the Legislative Council and the Representative Assembly could elect four and eight members respectively, to the University Senate. In order to enable the Legislative Assembly to elect members to the Senate, this section is proposed to be amended.

It is proposed to reorganise the University under a new enactment and it will take some time before the Bill sponsored for this purpose is passed into law. Meanwhile since the terms of the Senate and other University authorities are due to expire on the 30th June and it is considered desirable to reconstitute these bodies under the new enactment, it is proposed to take power to extend the term of these bodies such term not exceeding one year in the aggregate. Section 19 of the Act is proposed to be amended for this purpose. Hence this Bill.
